

## MEETING REPORT

**Team Name:** Electronic Health Record System

**Date of Meeting:** 05/03/2025

**Start Time:** 14:00   **End Time:** 16:00

**Meeting Location:** WhatsApp Video Call

**Moderator:** Belina Durmishi

**Recorder:** Belina Durmishi

**Other Members Present:** Antea Koxherri, Elisona Doku, Elkier Ago, Evelina Gace, Flavia Koco

**Members Absent:** N/A

### Topics Discussed:

- Brainstormed and shared ideas on potential project topics, ultimately deciding on the best one for our objectives.
- Engaged in a detailed debate about the merits of the chosen topic, concluding why it was superior compared to other options.
- Discussed the selection of the project leader and the criteria for this choice.
- Defined the key actors involved in the project and explored how these actors would interact within the system.
- Discussed the different types of requirements necessary for the project, including how to categorize and address them.

### Decisions Made:

- Finalization of the project concept, including a detailed discussion on what the Electronic Healthcare System aims to achieve.
- Agreement on the primary actors involved in the system: Patients, Doctors, Pharmacy Staff, Laboratory Technicians, and Administrators, and their specific interactions within the system.
- Division of work among team members and the selection of Belina Durmishi as the team leader.

- Decision to revise the previous draft to include emergency services, enhancing the system's comprehensive care capabilities.
- Establishment and agreement on the project requirements, with thorough gathering and verification of these requirements to ensure there are no contradictions and that they are complete.

## **Tasks Assigned:**

### **Requirements Gathering and Assignment**

#### **System Requirements Gathering**

- **Functional Requirements:**
  - **Antea:** Functional requirements for doctors.
  - **Elisona:** Functional requirements for laboratory staff.
  - **Elkier:** Functional requirements for patients.
  - **Evelina:** Functional requirements for administrative staff.
  - **Flavia:** Functional requirements for pharmacy staff.
- **Non-Functional Requirements:**
  - **Belina:** Responsible for gathering and documenting **non-functional requirements** for the entire system.

## **Time, Place, and Agenda for Next Meeting:**

12/03/2025

**Location:** WhatsApp Video Call

**Agenda:** Brainstorm and discuss potential new actors that could be added to the system to enhance its functionality, improve patient care, or streamline operations discussing how to integrate them.
